The Palladium 6' x 5' is a high fashion and uniquely looking metal shed that brings outdoor storage to a modern world. The shed has heavy duty galvanized steel interior beams and columns and the double thick galvanized steel walls combines with a strong attractive lock handle door for a unique and secure unmatched attractive shed. It has a comfortable interior wall height and a roof degree of 10°. The Palladium is painted using a hot dipped process to protect the shed's look and insure long life. The treated panels offer the constant of zero attack and this is underlined by the 25 year warranty against rust.
