

10' x 8' Apex Pro

The Apex Pro is the latest line of quality sheds produced under the Duramax brand. The Apex Pro has large double entry and double side doors. This provides storage accessibility from either side of the shed, insuring maximum utilization of storage.

- **Made from superior fire retardant vinyl plastic resin**
- **Won't Dent, Rust, Rot or Mildew**
- **Heavy duty galvanized steel interior beams, columns and trusses for unmatched strength and snow load**
- **Wide and high double entry front and side doors for easy access in acquiring stored equipment**
- **Galvanized steel foundation to lift the apex and help with water flow**
- **Two large windows on the front of the shed for additional light control while adding aesthetics to increase the overall look of the shed.**
- **The heavy duty interior columns allows you to mount shelves and garden tools.**
