7' x 7' StoreMax Plus

The DuraMax 7' x 7' StoreMax Plus shed with molded floor is an aesthetically attractive shed that features a durable and superior fire-retardant vinyl resin exterior. It's interior beams and columns are made of heavy-duty galvanized structural steel.

- **Made from superior fire retardant vinyl plastic resin**
- **Wide Double Doors (53.3" wide x 71" tall)**
- **Includes Heavy Duty Molded Floor Kit**
- **Dual Air Ventilation System as Slotted Grill on Gable Fascia**
- **uniquely designed windows on doors**
- **Heavy duty galvanized steel interior beams, columns and trusses for unmatched strength and snow load**
- **Won't rust, rot, dent or need painting and is impervious to wood eating insects**
- **The columns allows for mounting shelves and garden tools.**

Assembly Made Easy

The assembly is simple, clean, safe and installation takes less than a few hours. All Parts are pre-cut, drilled and numbered for ease of assembly. All you need is a level surface of either wood, or concrete and the side of the desired building. The tools you will need include a power drill, hammer, measuring tape, pliers and a ladder
