

10'x3' SidePro Vinyl Storage Shed

The Duramax 10x3 SidePro Storage Shed maximizes storage capacity while minimizing its footprint. Its slim profile is ideal for narrow spaces or areas with limited room, making it a smart choice for small yards, patios, or driveways. Constructed with high-quality vinyl, this storage shed is built to withstand the test of time.

- **Compact and Space-Saving Design:** The Duramax 10x3 SidePro vinyl storage shed is perfect for narrow spaces or areas with limited room, maximizing storage capacity while minimizing its footprint.
- **Durable Vinyl Construction:** Built with high-quality vinyl material, this shed is resistant to scratches, dents, and rust, ensuring long-lasting durability and minimal maintenance.
- **Sturdy Metal-Reinforced Structure:** The shed's walls are reinforced with a metal frame, providing reliable strength and stability.
- **Easy Assembly:** With pre-cut and pre-drilled parts, the Duramax 10x3 SidePro shed is designed for quick and straightforward assembly.
- **Convenient Double Doors:** The shed features wide double doors that allow easy access to your stored items, even accommodating larger equipment.
- **Secure Locking System:** The double doors are lockable, ensuring the safety and security of your belongings.
- **Weather-Resistant Design:** The vinyl construction provides excellent protection against the elements, keeping your items dry and safe from weather damage.
- **Sleek and Space-Enhancing Design:** With its clean lines and neutral color, the Duramax 10x3 SidePro shed adds a stylish touch to your outdoor space while maximizing storage efficiency.
